

ASK AN EMPLOYMENT LAWYER...

WHAT IS WRONGFUL TERMINATION IN OHIO?

Not every **unfair** termination is an **illegal** one.

But there are common situations that might give rise to a wrongful termination claim in...

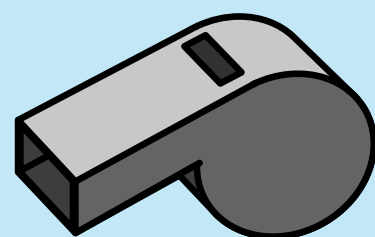

DISCRIMINATION

Employers may not fire someone because of their race, sex, age, disability, national origin, pregnancy, or sexual orientation.

RETALIATION

Employers may not fire employees for complaining about discrimination, harassment, or other illegal behavior in the workplace.

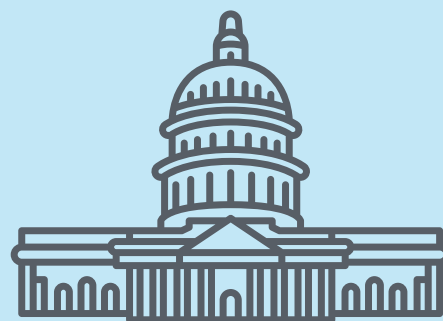

MEDICAL ISSUES

In many cases, employers can't fire an employee just because they got sick or needed medical leave.

PROTECTING THE PUBLIC

In some cases, employers cannot fire employees for opposing the employer violating laws designed to protect the public.
